

Directory of Arbitrators and Appeal Panel

The FOSFA's Rules and Regulations provide that all Trading, Full Broker and Full Non-Trading member companies representatives, as listed on the FOSFA Website, if under the age of 75, and active in the trade are eligible to act as "Arbitrators" under FOSFA Contracts, in the appropriate section.

By reference to the site it can be seen that the list of eligible arbitrators is extensive, with no reference to their willingness to so act.

This directory is provided to assist members and non-members alike, to identify those who regularly undertake arbitration related appointments, and is based upon:

1. FOSFA's published Appeal Panel, by category;
2. Active Arbitrators who are currently not panellists.
